**Chiltern District Council - Statement of Community Involvement (July 2011)**

Chiltern District Council's Planning Service is revising the Statement of Community Involvement (SCI) which was adopted in 2006. This sets out how individuals, local communities and organisations can participate in the planning process during the production of key planning policy documents in the Council's Local Development Framework and how and when they can comment on development proposals in planning applications.

Chiltern District Council invites you to comment on the Draft Revised Statement of Community Involvement for Chiltern District Council – the revised SCI will be published on 15<sup>th</sup> July, 2011 and will be available to view on the council's website [www.chiltern.gov.uk/sci](http://www.chiltern.gov.uk/sci) Comments on this document can be submitted electronically or in writing up to the 30<sup>th</sup> September, 2011.

**Three Rivers Local Development Framework - Consultation on Proposed Significant changes to the Core Strategy.**

The Council submitted its Core Strategy to the Secretary of State for independent examination. The Inspector appointed identified some changes that were required as per the Proposed Changes Representation Form.

The deadline for all responses is 5pm on Friday 19<sup>th</sup> August, 2011.

Sent under separate cover.

**Enc**

**Safety Signage - Common Road**

Residents of Darvells Yard have expressed concern for road safety near the entrance to their property. They find it difficult to exit due to the speed of cars.

The Highways authority have erected a Chevron sign on Parish Council land as highlighted in the attached photographs. This sign was erected without prior warning or permission from the Council.

It is an eyesore in an area of Conservation and on a local nature reserve and its effectiveness in slowing down traffic is debatable.

Members are asked to consider the above.
