Current Constabulary Campaigns

Hertfordshire Constabulary is currently recruiting Police Community Support Officers (PCSOs).

PCSOs work in Safer Neighbourhood Teams across the county, who work with the community to improve the quality of life for residents and make their area safer, by proactively tackling crime and anti-social behaviour (ASB).

They are given their own geographical area and it is their job to get to know the community; their issues, concerns and what may be affecting their quality of life, and find solutions to help.

They support victims of crime, instigate crime prevention initiatives, conduct patrols to prevent crime and reassure residents and generally being a port of call in the community.

Our PCSOs say it is challenging, but an incredibly rewarding career.

The role of a Police Community Support Officers is paid and there are opportunities for people who wish to work part-time or flexible hours. The role involves evening and weekend shift work, including working some weekends and evenings to 11pm.

If you would like to find out more, or have family members or friends who would be suited to the role, please visit www.hertspolicepcso.co.uk
